

Activity 2 — Role-Play Observer Checklist

Attitude and Positive Language at a Changi Airport Service Counter

Focus of this observation	Service attitude, body language and positive language under pressure
You are observing	Role A — the Service Officer
Setup	Pairs. Role A = Service Officer, Role B = Mr Krishnan. Swap after the first round. Observers score.
Duration	15 minutes

Observer: _____ Performer: _____ Round: 1 / 2

Tick **DONE** only where you actually saw the behaviour. 'What good looks like' is the standard — anything less is **NOT YET**.

Code	What to observe	What good looks like	Done	Not yet
K1	Greeted and acknowledged within seconds	Made eye contact and greeted before the customer had to speak first.		
K1	Physical reset before the interaction	Shoulders back, hands visible, a breath in before the first word — not visibly carrying the previous 10 customers.		
K1	Delivered the 'no' within the first 2 minutes	Stated plainly that hotel accommodation is not covered, without stalling or burying it.		
K1	Used positive language throughout	Framed on what IS available ('I can get you on the 1:50pm and into the lounge now'), never opened with 'unfortunately' or 'we don't'.		
K1	Offered alternatives unprompted	Named at least two things they could do before the customer had to ask.		
K1	Acknowledged the children	Noticed that the customer's stress is mostly about the two crying children and responded to it.		
K1	Tone and body language held under fatigue	No flat tone, no sighing before speaking, no loss of eye contact as the interaction ran on.		
K1	Closed with clear next steps	The customer left knowing exactly what happens next and by when.		

Strongest moment — what worked, and why

One thing to change in the next round

The performer's own view (ask them first, before you give feedback)

Check your work: You delivered a genuine 'no' inside 2 minutes, offered at least two alternatives unprompted, and your partner reports feeling served rather than dismissed.
